

Privacy Policy

Training For Trees only collects information that relates to a student's training and as per requirements of the Data Provision Requirements 2012 and Student Identifiers Act 2014.

Training For Trees takes all reasonable steps to protect personal information from misuse, loss, unauthorised access, modification or disclosure including restricted access to electronic files, secure storage of paper files and back up of data.

Training for Trees in its operations and provisions complies in all ways with the Privacy Act 1988 and the Privacy Amendment (Private Sector) Act 2000 and the Student Identifiers Act 2014

This prevents Training for Trees from providing any student details to any other person other than the student without the express permission of the individual concerned except as detailed below. Permission must be given in writing. Form 50A Access to Student Records Form to be completed.

Training for Trees Pty Ltd may disclose personal information to third parties without your consent as required by our governing body ASQA and Government Departments State and Federal and as required by law and or court order, to co-operate with Government authorities in a criminal investigation, and to enforce or protect Training for Trees Pty Ltd's property or contractual rights.

Privacy Statement

Training For Trees is committed to protecting the privacy of your personal information.

This statement explains how we handle your personal information. This statement only applies to our databases and files and does not cover any State, Territory or Commonwealth Government database or file. You are advised to contact the relevant government agency for a copy of their privacy policy.

Personal Information about Others

If you send us information about others, we will use that information (usually an e-mail address or other contact details) to do what you asked us to do (for example, to send information on our programs).

Sharing Your Personal Information

Training For Trees is required to be audited by our governing body ASQA in order to maintain registration and students' files may be accessed by their representatives and Government State representatives auditing government funded programs.

Training for Trees Pty Ltd will not sell, rent, or trade the personal information you provide online. Training for Trees Pty Ltd reserves the right to transfer your personal information in connection with the sale or transfer of all or a portion of our business or assets. If the business is sold or transferred, Training for Trees Pty Ltd will give you an opportunity to tell us not to transfer your personal information. In some cases, this may mean that the new organization will not be able to continue providing to you the services or products that Training for Trees Pty Ltd provided. Training for Trees Pty Ltd may share personal information in accordance with the above provisions in Australia as well as outside of Australia.

Training for Trees Pty Ltd's web site contains links to and from other web sites; Training for Trees Pty Ltd is not responsible for the privacy practices of those Web sites. Training for Trees Pty Ltd encourages you to ascertain the privacy practices of those Web sites

We will use testimonials from our clients about our products subject to their full agreement. Such agreement will include, and is limited to, the use of their name industry and their city or town and country.
